Teaching Experience

IFES – Instituto Cenecista Fayal (2014- 2016) – rating ?? of ??

Assistant Professor for undergraduate accounting course in Controlling and Finance in which students were taught the theoretical principles for Controlling and Financial Management and subsequently given hands-on experience in implementing a complex data visualization system using tools such as Tableau and other BI systems. The class project and individual assignment represent the capstone experience of the course.

UNIFEFE – University of Centre of Brusque (2016) - rating 4.31 out of 5.00

Professor for MBA of accounting course in Corporate Governance. Students were presented the theoretical principals for governance. Students integrated their learning during group projects which were mainly case study-based.

University of Santa Catarina (2014-2015) – no course evaluation

Teaching Fellow, “Controlling and Finance” for Undergrad Course Fall 2014 and Fall 2015, professor Rogério João Lunkes. With full responsibility for all course preparation, delivery, and evaluation. Course topics included Controlling principals and real business problems. Students also conducted original research on topics of their choice and presented them to class.

FGV - Fundação Getúlio Vargas (2016) – no course evaluation

Teaching Fellow, “Data Analytics & Continuous Auditing” – master’s course at FGV Brazil Fall 2016, professor Miklos Vasarhelyi. in which I presented an introduction to analytics and data visualization analysis using R. Students were provided with a real dataset and implemented exploratory data analysis, using several statistical methods and visualizations techniques.

Professional Experience

2006 – 2017 Senior Implementation Consultant SENIOR SISTEMAS S.A - Santa Catarina – BR
Worked developing and implementing software for Human Resource Management and ERP systems. Designed and implemented projects with clients. Created data warehouses for BI Solutions and integrated them with third-party software.
